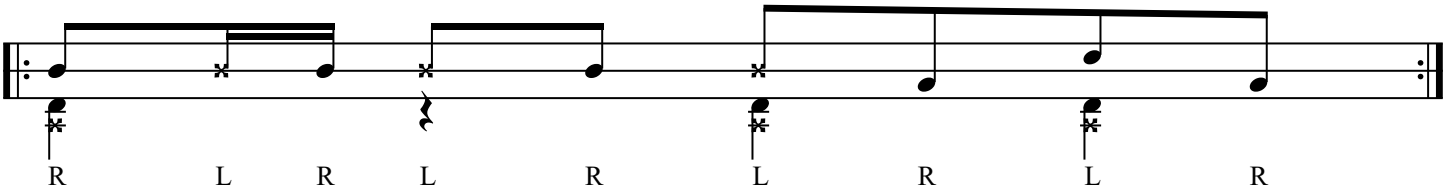
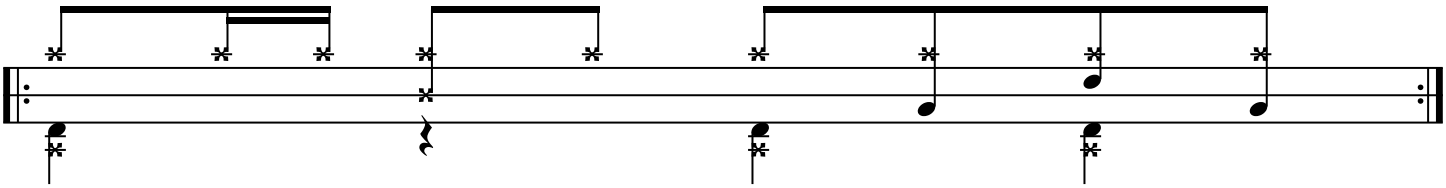
The Bolero rhythm originated in Cuba around 1825 and has been used by every Latin American country.
The Bolero is a romantic latin ballad believed to have been inspired by the Italian Operetta.

Drum Style



Cymbal Style



Remember To:

-Hold your cross-stick butt end out.
-Practice this rhythm between tempos of 70-120 bpm.
-Practice the drum bolero 4x's then the cymbal bolero 4x's and repeat.
